## WASHINGTON COUNTY HAS ANOTHER MURDER

**Companions Started With Game of Pool, Wound up With Altercation in Barroom, and One Man is Dead as Result, Other One in Washington County Jail.**

This morning about 6 o'clock a dispute rose between two young men of Charleroi and as a result one of them is lying a corpse at the morgue of Call & Crowly and the other is in the Washington county jail charged with murder.

Last night Frank Kelly and B. R. Jones, two well known young men of the town, together with several companions, engaged in a civil game of pool to pass away the evening. As time went on game after game seemed to grow more intereeting and the party did not disperse until this morning about 2 o'clock. At 6 o'clock this morning when Kelly, who held a position with the McBeth Evans Glass company, was going to work he met several friends and they all went into the bar room at the Wellington Hotel to get a drink and while there met Jones, and an altercation took place between the two men. Kelly, it is alleged, called Jones vile names whereupon the latter resented and demanded that a retraction be made under penalty of punishment.

Kelly refused to retract the insult and Jones struck Kelly on the jaw several times, each blow being rendered with tremendhous force and the victim fell to the sidewalk unconscious and bleeding from the wounds, the jaw bone having been broken. Several bestanders picked the young man up and carried him across the street to Williams' Coffee house and sent for a physician but before his arrival Kelly died from concussion of the brain, without regaining consciouness. Young Jones was placed under arrest and taken to jail to await the results of the coroner's inquest. A message was sent to Washington and Coroner Sipe arrived at 10 o'clock and empannelled a jury and an inquest was held. The verdict was that the death of Frank Kelly resulted from blows struck by B. R. Jones, which caused concussion of the brain.

Jones was taken to Washington this afternoon and placed in jail where he will remain until called to face the awful charge of murder, which resulted after a night's dissipation and carousal.

### He Told a Lie

Frank Laraf, of Fayette City, convicted of perjury, was called for sentence. Attorney Wonda N. Carr plead for Laraf, asking leniency. The convicted man swore that he was worth $500 before a Fayette City justice, going on the bond of some person. He is not worth that much. As Laraf was intoxicated at the time, the leniency of the court was asked. He was entenced to pay the costs. If he gets into trouble again, he will get the benefit of the suspended sentence.

### Met at Monongahela.

The first reunion of the survivors of Company D, Seventy-ninth Pennsylvania Volunteer infantry, was held here yesterday. Seventeen members were present. It was determined to make the event an annual one in this city on October 8, the anniversary of the battle of Perryville in which 28 members of the company were either killed or wounded. The following officers were elected: P. O'Donovan, Youngstown, president; Lafayette Culberteon, Shire Oaks, first vice president; Joseph W. Wolfe, Monongahela, second vice president; William Woodward, Monongahela, secretary; C. E. Galloway, Yoghoghany, treasurer.

## UNDERWENT AN OPERATION

Little Raymond Jenkins, the eight-year-old son of D. T Jenkins of 152 Donner avenue, underwent an operation this afternoon to remove an abscess which had formed on the knee cap, the result of an accident above five weeks ago. The operation was performed by local surgeons and was pronounced successful.

The little patient is doing nicely. About five weeks ago he together with several companions were playing near a new building which was being erected when he fell upon a piece of glass badly cutting his knee. Instead of healing, the wound got worse with the result that the operation was made necessary to save the little fellow's life.

### About the Curfew.

Several towns and a few cities in this state have curfew ordinances on their statute books, but in the majority of instances, they are practically dead letters. For a few weeks they act as a restraining force on children who ought to be at home of evenings, and then the fear of them vanishes and they are as though they were not. This should not be.—Altoona Tribune.

## THAT MURDER

THE citizens of Monessen certainly appreciate the attitude of the Westmoreland county commissioners with regards to the capture of the murderer of Anna Hertrick. The reward of $1,000 offered by the county and the additional sum that will be raised among the people of Monessen will be sufficient to get expert detectives working on the case. Criminals of this class should be captured at whatever cost and the great county of Westmoreland should not allow this human beast to escape the penalty of the law, even though it be necessary to increase the amount of the reward five times. Within the past year four or five murders have been committed in this end of the county and not one or the perpetratore has been captured. Every crime committed adds impetus to the work of the criminal and makes him so much more blood thirsty. The tragedy of last Friday night is without a parallel in the history of the county and is so horrible that the thoughts of it make our best citizens quake with fear for the safety of their homes and the protection of their families, which fact was fully expressed by the attendance at the mass meeting in the council chambers yesterday afternoon. It is to be hoped that speedy effort will be put forth to capture the criminal and that his punishment will be in keeping with the horrors of the crime.

### "Home, Sweet Home."

Probably no one would have been more surprised than Sir Henry Bishop himself could he have foreseen that a single melody in one of his numerous operas would achieve such celebrity that at the present day it is still sung by leading prima donnas at fashionable concerts, jangled on street organs and loved by a vast public that knows nothing of music, properly so called, as the purest representation of the English spirit- "Home, Sweet Home." "Clari, the Maid of Milan," the opera in which this favorite song occurred, has long been consigned to the limbo of forgotten musical works, but "Home, Sweet Home," survives with undiminished popularity and is likely to survive when many more pretentious compositions have followed "The Maid of Milan" into oblivion.—Cornell Magazine

## Twenty Minutes Time Enough?

**To Cure the Worst Headache From Any Cause—New Reduction Method.**

Most headaches and pains yield instantly to the new Reduction Method—Dr. Shoop's Twenty Minute Headache Cure. The cause for these pains is congestion—a rushing of blood to the nerve centers—which distends the veins to nearly the bursting point. Swollen and enlarged, these veins and capillaries exert an irritating pressure on the myriads of nerve branches and fibres. Then, there's a throbbing, excruciating, ceaseless ache. This new Reduction Method disperses the blood, distributes the overflow, and directs it to the proper channels. It frees the nerve centers from all pressure and irritation—the pains and aches disappear because their cause has been removed. You may try a thousand remedies—you may drug and stupify the nerves into submission—but the remedy which brings prompt relief and permanent cure will be successful because it reduces the congestion—it must embody the Reduction Method. Medicine has thus found a way—simple and sure, yet the only way—to thoroughly overcome these attacks of Headache and Neuralgia. The effect of Dr Shoop's Twenty Minute Headache Cure is prompt—perfectly suited to all forms of Headache and absolutely positive in every temperament. For sale and recommended by

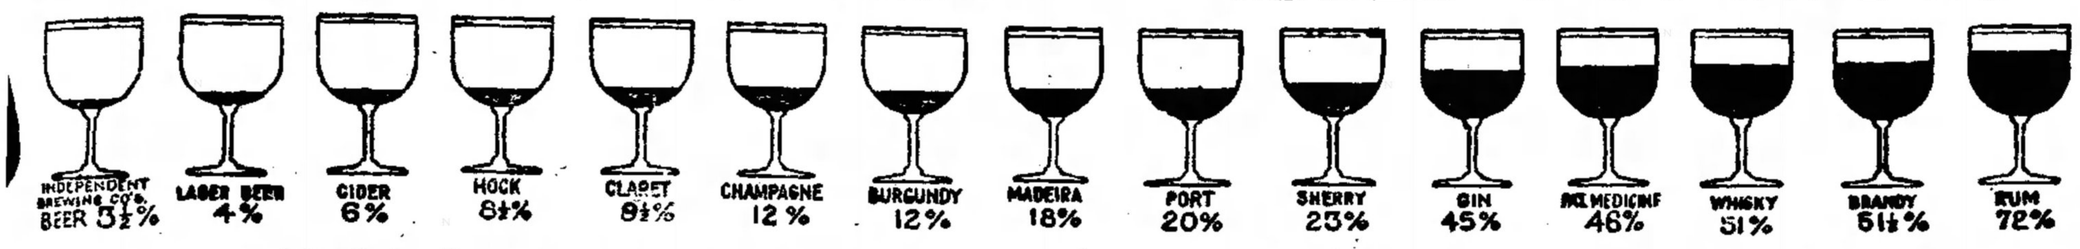
# A STUDY IN BEER AT THE EXPOSITION



*——Alcohol Contained in Various Beverages Shown by Dark Shadings and Percentages——*

Independent brews are delightful in flavor, foody and pure.

The insignificant amount of alcohol which they contain—about 3½ per cent.—is immediately used in the creation of mental and physical energy.

Charles H. Treat, United States Treasurer, says: "The business and social life of the great city of New York is turning to beer and soft drinks.

"If you should walk into some of the great political and social clubs of New York to-day, organizations composed of the best business and professional men of the city, 75 per cent. of those sitting around the tables would be drinking soft drinks, in which I include beer as the foremost."

Aside from their own nutritious principles the beers of the Independent Brewing Co. are of proved value in aiding the stomach to digest other foods.

Physicians know this and prescribe them as meal-time beverages.

When suffering daily torture
From backache, rheumatic pain,
Any ill of kidneys or bladder,
Turn to Doan's Kidney Pills.
A cure endorsed by thousands.
Read an old man's tribute.

Sidney Justus, fruit dealer, of Mentor, Ohio, says: "I was cured by Doan's Kidney Pills of a severe case of kidney trouble of eight or ten years' standing. I suffered the most severe backache and other pains in the region of the kidneys. These were especially severe when stooping to lift anything, and often I could hardly straighten my back. The aching was bad in the daytime, but just as bad at night, and I was always lame in the morning. I was bothered with rheumatic pains and dropsical swelling of the feet. The urinary passages were painful, and the secretions were discolored and so free that often I had to rise at night. I felt tired all day. Half a box served to relieve me, and three boxes effected a permanent cure."

# REPUBLICANS HAD BIG TIME IN CHARLEROI LAST NIGHT

### Ten Thousand in Line and the "Magic" City was Bedecked with Patriotic Splendor.—Meeting in Greensburg Tonight.

Charleroi, the Magic City of Washington county, was filled with Republican enthusiasm yesterday and last night, the occasion being the visit of Edwin S. Stuart candidate for Governor of Pennsylvania and his party. Congressman E. F. Acheson was instrumental in bringing Charleroi into the meeting circuit and that gentleman was one of the leading speakers.

It is estimated that 10,000 people were in the line of parade yesterday afternoon, many of those having come from neighboring towns. A delegation of Monessen citizens were present and gave every assistance in making the affair one of the best stay-at-home political meetings ever held in the valley.

Monongahela, Donora and Belle Vernon also sent large delegations to show patriotic pride and give evidence of loyalty to party at the coming election. J. K. Tenor was president of the meeting and he, together with several other representative citizens of the town, met the special train at the Union station, Pittsburg and accompanied the party to the "Magic City" where a grand ovation took place. Several brass bands were waiting at the station and for several squares there was a veritable mass of humanity.

Washington county was well represented and everything points toward a continuation of harmony for the state ticket. Mr. Stewart in his remarks commended the people for their loyalty to the Republican principles and said that he hoped for a continuation of the good work. He spoke in glowing terms of Congressman E. F. Acheson and referred to the State Capitol at Harrisburg.

"We have heard something" he said, "in relation to the Capitol since we have been away. I know nothing about the conditions or about the expenditures and therefore cannot be held accountable for it; but I want to say here that if there is anything wrong there, if there has been any wrong committed — and I do not know whether there has or not — the man or men that committed that wrong should be punished, because no man should be allowed to handle the money of the people of this State except in an honest way, and there is no obligation upon any Republican or any candidate upon the Republican ticket to make it necessary for a platform or anything else, for every Republican must stand for decency and for honesty in Republican affairs, and any man that does not do that is not fit to be called a Republican."

Tonight there will be a similar meeting in Greensburg and a large crowd is expected there to greet the distinguished politicians.

### "New York by Night."

"The inherent talent of a member of the Company." In the company which will present the big melodramatic success, "New York by Night" at the Monessen Opera House, Friday night, October 12, is a young actor, who has been obliged to stand a good deal of chaffing by his fellow players during the past few weeks. This particular actor possesses considerable talent and has met with much success during his career on the stage. His father is a well known stage carpenter and although he has been associated with many famous stars, he never played a part in his life: having always been employed as a mechanic with the different shows.

It happened that the company played in the home town of the young actor recently and as it was his first appearance before his townspeople the engagement was looked upon as quite an event. The manager of the company went into the barber shop of the hotel where he was staying and a couple of the oldest inhabitants were discussing the young man and his success in the profession. "Well", said one of the men after considerable talk upon the subject, "Ed comes honestly by his talent, he inhaled it from his father."

### Rev. Wright Returned Here.

The annual conference of the M. E church which was held at Butler, came to a close yesterday. The appointments were read at noon, Rev. J. V. Wright was returned to the local pulpit.

# CAPITOLS WERE WORSTED.

### McGinleys Sprung Surprise by Winning Two Games out of Three. Records Were Broken.

STANDING OF TEAMS

| Teams | Won | Lost | Pct |

| Capitols | 3 | 3 | 500 |
| McGinleys | 3 | 3 | 500 |
| East Ends | 2 | 4 | 333 |

Neil McGinleys bowlers sprung a surprise last evening by administering a decisive defeat to the proud Capitols. Captain Bonnnie, of the McGinleys, and his men were in excellent form and records were broken right and left.

The match was by far the best that has yet been played, and was witnessed by a large crowd. The absence of Byers and McKenzie from the Capitols lineup is no doubt partly responsible for their severe beating. Frank Bonimme of the McGinleys bowled a sensational game making the high average of 190⅔. Robt. Sphar of the Capitols rolled the high score of the evening making 223 pins in the third game. In the first game the McGinleys made the highest score yet rolled, the Capitols duplicating the figures in the third.

With each match the interest in the tournament increases and if the four teams continue at the pace they have set, some good matches can be expected. A hot contest is promised Wednesday when the McGinleys and Keystones meet. Last evening's scores:

### Program at Star Made Hit.

Keen, the comedy juggler, who appeared at the Star Theatre last evening proved himself an entertainer of unusual ability. His act kept the audience in an uproar. Bryan and Blanch in their comedietta "Matrimonial Sweets in Family Jars" amused the patrons immensely. Their act especially pleased the ladies and children. The illustrated songs and motion pictures were also good. The entire program changes Thursday evening.

### Residents are Complaining.

Many residents of the downtown section of town are making complaint about the actions of Lee, the garbage hauler, in stopping his wagon on the main street, in front of business places where both proprietors and patrons are annoyed by the obnoxious odors which escape from the moss. Several threaten to take legal recourse unless the practice is stopped

### Subscription Fund Growing

The subscription fund being raised to employ detectives to run down the murderer of Anna Hertrick has now reached $500 and is still growing. The local authorities are doing everything in their power to gather clues that will be beneficial when the detectives go to work. The inquest tomorrow may throw some light on the case.

### Only a Rumor.

Considerable excitement was occasioned yesterday afternoon by a report which was circulated to the effect that a pupil in the public schools here had been taken suddenly ill while in the class room and died while being taken home. Superintendent Hunelick stated to an Independent man last evening that the story was groundless.
